## **Application Forms Checklist**

| Application forms up to scratch & ready to send to employers? See how your application form matches against the below. Have you: |  |  |
|--|--|--|
|  |  | Checked the closing date and allowed plenty of time to complete the application?   |
|  |  | Read the instructions carefully? (the employer will be assessing your ability to pay attention to detail and follow instructions)  |
|  |  | Ensured that the Personal Statement/Further Information section addresses <u>all elements</u> of the personal specification criteria, giving <u>specific</u> examples of how you can demonstrate each? |
|  |  | Organised your personal statement clearly, with consistent headings, underlining or bold font to make it clear which elements of the person specification you are addressing?                          |
|  |  | Checked that the information about your experience and qualifications are accurate? (these may well be checked in the future)  |
|  |  | Checked and re-checked formatting, spelling, punctuation and grammar?  |
|  |  | Contacted your referees to ask their permission to be used and to give them information about the job role?  |
