Worcester Business School Visit Day

May I first of all thank you for choosing to visit Worcester Business School here at University of Worcester. We are looking forward to meeting you here at City Campus.

When you visit we hope you will take the opportunity to ask questions about the course and learn more about where you will be studying. Visit days are for students who have been offered a place on our courses so we try to make sure they are different from our drop in open events. We will be incorporating a mini teaching session whereby the students will be able, in small groups, work on a small exercise. This reflects the style we use in a typical class. The parents and friends will be able to use the time to speak to the course team.

We are conscious you will be keen to know where you will be studying so members of the course team will lead a tour of City Campus. We will be offering, on dates indicated in the table opposite, the option to have a tour of our new £60 million library complex: *The Hive*. The Hive opens in July so you will be seeing it before many staff!

We appreciate many of you might have visited us on an open event but for those who have not been to the University before there is an optional tour of our St John's campus prior to the main event at City Campus.

We look forward to seeing you at one of the visit days. In the meantime if you have any questions relating to the days please do not hesitate to contact me.

John Gardener
Admissions Tutor
j.gardener@worc.ac.uk

Please note once The Hive is complete there will be a walkthrough from City Campus. In the meantime there will be a 5 minute walk around from City Campus.

Due to our City Centre location unfortunately there is no parking, except for disabled badge holders. The following link gives details of parking available near to the Campus.
