

**Charles Hastings Board Room, St John's Campus  
Jenny Lind Chapel, St John's Campus  
Ceremonial Entrance Lobby, City Campus**

These three areas can be hired separately or together to provide a prestigious and historic setting for that special occasion.

The Charles Hastings Board Room, where the British

Medical Association (BMA) was founded on 19 July 1832, is part of Worcester's impressive heritage and as such provides a prestigious setting for that special occasion.

Adjacent to the Board Room, the Jenny Lind Chapel is a beautiful space with stained glass windows and original religious symbolry. It was the Chapel for the Worcester Royal Infirmary and is an inspiring setting.

The Ceremonial Entrance Lobby is an open space leading into the Charles Hastings Board Room and can be hired as a reception area or exhibition space.

The Conferencing Team would be happy to show you around and to discuss the suitability of these areas for your event.

City Campus	Price + VAT	Price +	VAT Price + VAT
