

Enterprise Calendar 2010-2011

With graduate competition for jobs and careers being at an all time high the Enterprise Hub at the University of Worcester provides students with opportunities to equip themselves with transferable skills to enhance their offer to industry.

E&E (enterprise & employability) events include competitions, presentations and talks, student led activities and business start up support.

All events are open to students, staff, and Entrepreneurial Alumni Network members, and unless otherwise stated, are held at the University of Worcester.

For full details of each event/competition and competition entry forms visit the Enterprise Hub
