## Meet Olivia Hill

Drama & Performance  
BA (Hons)

For me, choosing Worcester was an easy decision - I attended an Open Day here, where I fell in love with the city and met some fantastic people.

The wide range of modules on my particular degree allowed me to create my own path and keep my options open. I also got the chance to do some performances on tour and to work as a drama ambassador - and I got paid to do both!

"Alongside my course I got the chance to choreograph loads of dances for an entire musical theatre society. It was an incredible experience. Being part of the committee was fantastic and watching my dances performed on stage was priceless."

These opportunities alongside my degree have really added to my experience and helped with my employability upon graduating - I have now set up my own Theatre Company as well as running youth theatre workshops at a local theatre.

I thoroughly enjoyed my three years studying here and being a part of the Worcester community has had a huge impact on my life.
