

How to apply

You will be able to apply for accommodation at the University of Worcester once you have firmly accepted an offer of a place with us.

If you have confirmed Worcester as your first choice by the end of April, and are eligible for University managed accommodation, application details will be sent out with joining instructions from the start of April.

Accommodation is allocated on a first-come-first-served basis so it is important that you apply as soon as possible. Accommodation is mixed sex but single sex accommodation is usually available on request.

University accommodation is allocated for a complete academic year. You will be asked to sign a License Agreement for a specific period and you will need to pay for that time
