Paul is the founder and artistic director of C&T Theatre Company which has its base at the University of Worcester. Saying that, C&T's real home is the web since it is devoted to developing young people's interest in theatre with highly innovative uses of communications technologies.

C&T's Dark Theatre mixes drama, storyboarding and comics, whilst *Cambat*, explores young people's attitudes to Closed Circuit Television. He is currently developing *Lip Sync*, a project mixing performance and music video technologies, and *IToys*, fusing digital animation, creative play and puppetry for the under 5s.
