

# Get in touch

We'd be delighted for you to come and visit us, to have a look around the campus, talk to current students or a member of staff about the course you're interested in.

We have [Open Days](#) or Evenings available nearly every month, alternatively we would be pleased to arrange a personal tour at a time that's convenient for you. Please contact Leonie Shuck on 01905 857513 for any further information.
