

# International Foundation Diploma

The International Foundation Diploma is a one year or half-year full-time course for international students who wish to take a degree or HND course in the UK. It provides intensive study of the English language, combined with an introduction to study skills, to chosen subject studies, and to British life and institutions.

Successful completion of the IFD course guarantees a place on the University of Worcester's three year BA/BSc (Honours) degrees in the Business School.
