Apply Early

Demand for some of our courses is very high, so you should apply early. We treat each application on its own merits. We apply standard admissions criteria but, more than this, we are looking for students who will contribute to and benefit from a programme of study with us.

Undergraduate courses

If you are applying for a place on an undergraduate course (HND, FdA, FdSc, BA, BSc, or DipHE Nursing), you will need to apply via [UCAS](#) - the Universities and Colleges Admissions Service.

You can obtain a UCAS form from your school or college or from your local British Council Office and this needs to be sent directly to UCAS, rather than to the University of Worcester.

Or you can contact UCAS directly at:
