

Life at Worcester

Worcester is a great city for student life

Students make up a good proportion of the local community, so you'll find a good choice of places to hang out with friends and meet new people.

Community Spirit

If you're looking for a friendly place to study, Worcester is ideal. We're a close-knit university, so unlike many larger institutions, you don't just get to know students on your course, but people from other courses and year groups too. Wherever your career takes you, you'll become part of a thriving alumni community that welcomes you for a lifetime.

Location location location

Worcester is an ideal place to study: a university city with a central location and good value for money.
