

# Prospective International students

## Why do our students come here?

Many students come here for our excellent teaching record and small class sizes. Others come to use our state of the art facilities. Some come here to experience our [idyllic yet exciting city](#), or our beautiful parkland campus within it. Some come for the friendly community atmosphere we've created and enjoy, or our first-rate [student support](#). As well as this, most will come for the vast array of specialised and [highly flexible courses](#) we offer to you.

Whatever reason you choose to come here, we offer an excellent environment to study in and the high quality teaching you need to get the most from your studies.

Whilst you're here, consider staying in our [top standard student accommodation](#), a great way to get involved and start an exciting student life here at the University of Worcester.

Home Student? Have a look at our [exchange programme](#), and consider a valuable semester abroad.
