## Proposed Research Title

**From Malvern to Mendip: Bronze Age Funerary Landscapes of the Southern Severn Uplands.**

Having attended University as a mature student I obtained my BA (Hons) from the University of Worcester in 2008. My research interests are varied and the list below is not exclusive. I am currently researching for my PhD looking at an area that has been neglected by the national synthesis, with an aim to promote the Archaeology of Herefordshire, Worcestershire, Gloucestershire and Somerset.

## Professional Bodies

Prehistoric Society.

## Qualifications

BA (Hons) 1st Class Archaeology and Heritage Studies.

## Research Interests

British Prehistory, Early Bronze Age Britain, Gender and Social Archaeology and how our experiences contribute to our understanding of the Landscape, Archaeology of Death and Burial.
