

# Partnerships

## Partner Colleges

The Institute has many links with local colleges, giving you the benefit of different study locations and access to specialised facilities.

We offer the following programmes in association with our partners:

[Outdoor Adventure Leadership & Management BSc \(Hons\)](#) with Hereford College of Technology (Holme Lacy Campus).

[Sports Coaching HND](#) with Stourbridge College.

[Sports Performance & Coaching HND](#) with Telford College of Arts and Technology.

[Sports Studies HND](#) with Worcester College of Technology.

[European Basketball Coaching Science MSc](#) with the Lithuanian Academy of Physical Education.

## International links

We actively encourage students to study abroad, and all our courses have an international element to the curriculum. For further information and links to our partnership institutions abroad, visit our International page.
