

Studying at Worcester

Aspire to inspire

We're recognised for giving our students an outstanding education as part of a friendly, supportive community, living and learning in a [beautiful riverside city](#).

Our courses are rigorous and our staff have a reputation for new thinking and doing things differently. Through innovative teaching and the fostering of a [positive learning environment](#), we will help you and your fellow students become the professionals, leaders and entrepreneurs of tomorrow.

Investing in your future

We're proud of our graduates and their [outstanding employment record](#). 93.4% of our graduates go into work or education within six months of graduating – well above the [national average](#) and the highest figure for any West Midlands university.

Outstanding facilities for study

One of the advantages of coming to Worcester is the opportunity to study, live and learn in [first-class facilities](#). We are the fastest growing university in the country. With applications more than trebling in the last seven years, we have an exciting future ahead and we've invested the money we've gained from our growth right back into the University.

Personal tutors

Our staff are renowned for their friendly open-door approach. You'll meet your personal tutor within your first few weeks on campus. They'll guide your studies and are a source of encouragement and advice on all academic matters throughout your course.
