

# Talks to Students

Here at Worcester, our Schools and Colleges Liaison team offers a range of presentations to schools and colleges in the region.

We will come and visit different schools and colleges and our talks to students are free of charge. Issues covered include:

- Choosing a Higher Education Establishment
- How to Apply through UCAS
- Finance in Higher Education
- Student Life
- Subject Talks
- Taster Days at the University of Worcester

If we have not listed a talk that you would like advice on, please do not hesitate to contact us, as we will be able to gather this information and put together a presentation or arrange for one of our departmental experts to deliver a talk.
