## Full time degrees (BSc, BA, HND and Foundation degrees)

All applications to full time undergraduate degree programmes at Worcester, whether from the UK or overseas, should be made online through the [Universities & Colleges Admissions Service \(UCAS\)](#). You can get in touch with us before you apply to get advice on the offer you are likely to receive.

## When to apply

For entry in 2011, UCAS accepts applications from 1 September 2010. The first closing date for applications to be guaranteed consideration is 15 January 2011.

Some degree programmes may receive applications after the deadline, however, we cannot guarantee this, especially for areas of high demand. You should contact the Admissions Office for the degree programme you are applying to for more information about the application deadline.

## Part time study

Most University of Worcester courses may be studied part time and many have flexible start dates - usually in late September or late January. Applicants for part-time courses can apply directly to the University of Worcester at any time for entry in September or January. [Download an application form for Part-Time study](#).
