

# University Information

The University of Worcester is an independent corporation established by Royal Charter.

Its objects, powers and framework of governance are set out in the Charter and its supporting statutes, amendments to which must be approved by the Privy Council.

We are committed to a comprehensive policy of equal opportunities both in employment and for students. We seek to treat individuals on the basis of their relevant merits and abilities and to ensure that they are given equal opportunities within the University.

You'll find details about our [facts and figures](#), [ethics and terms of reference](#) and our [Charitable Status](#) (including details about our Governance) in this section. You can also read our [strategic plan](#).
