1. Introduction

- 1.1 The information provided below outlines the terms and conditions between the University of Worcester ('the University') and applicants who accept their offer of a place on one of our programmes of study ('programme'). A binding contract is formed between the University and the applicant when the applicant accepts the offer of a place at the University. This contract forms the basis of your relationship with the University. The information below provides important information which you need to understand before you accept an offer.
- 1.2 You are therefore strongly recommended to read these terms and conditions carefully before accepting any offer. If you have any queries or questions concerning this information, please contact the Assistant Registrar (Admissions).
- 1.3 In accepting any offer of a place at the University, you are agreeing to comply with:
- [The Student Handbook](#);
 - [Student Behaviour and Disciplinary Procedures](#);
 - [Procedures for investigation of cases of alleged Academic Misconduct](#);
 - [Students Complaints Procedures](#);
 - Use of University facilities and premises including [IT](#) and library facilities;
 - [Dealing with Harassment and Bullying Policy](#);
 - [Code of Practice on Freedom of speech](#);
 - Copyright, [intellectual property](#) and the publication of student work;
 - [The admissions policy](#) and [Procedures and guidance for Recognition of Prior Learning](#);
 - [Taught Courses Regulatory framework](#);
 - [Fitness to Practise Procedures](#);
 - The [Programme Specification](#) for the programme;
 - Apprentices only: Apprentice Commitment Statement; and
 - the terms and conditions of this document ("these terms").
- 1.4 Please make sure that you familiarise yourself with these documents and their relevant requirements, as failure to comply with a provision of these documents could result in the University terminating your offer and/or registration.
- 1.5 In addition to complying with these terms, the University is also required to comply with various legal duties, for example:
- under the Equality Act 2010, including the duty to have due regard to the need to advance equality of opportunity and to eliminate discrimination, harassment, victimisation and other conduct prohibited under the Equality Act;
 - in respect of freedom of speech pursuant to the Education (No 2) Act 1986; and
 - under the Counter Terrorism And Security Act 2015, including the duty to have regard to the need to prevent people from being drawn into terrorism (the "Prevent" duty).

These legal duties can change if the law changes.

2. The Prospectus

- 2.1 The prospectus is produced at the earliest possible date to provide maximum assistance to prospective applicants.
- 2.2 The University may make changes to the information within the prospectus to bring it up to date before you start your programme.
- 2.3 Where changes to the prospectus constitute changes to your relationship with the University or to your programme, you will be notified as soon as reasonably practicable (see section 9 below).

3. Admission

- 3.1 Your place with the University will be subject to you fulfilling any conditions set out in your offer letter (which is discussed in more detail below) and also subject to you fulfilling the application process and registering at the start of your programme with the University.

4. Accuracy of Information

- 4.1 It is your responsibility to ensure that all the information you provide to us is true and accurate. This information includes your address details and the accuracy of your personal details, as errors made in students' names during the admission and registration processes could result in incorrect degree certificates and transcripts.
- 4.2 Any change of name must be supported by documentary evidence e.g. marriage certificate, deed poll.
- 4.3 The University will not be liable for any out of date or incorrect information that you have provided and you will be responsible for any consequences (such as the cost of re-issuing documents or certificates, if the University is able to do so) of not keeping your information correct and up to date.
- 4.3 Applicants who do not follow the relevant application procedures for the University, UCAS and DfE Apply, or who make false and/ or misleading statements or provide fraudulent or plagiarised information in their applications, including non-disclosure of important or relevant information, may have their place withdrawn. Please refer to the [Admissions Policy](#) for information on how the University will deal with applications that include such information.

5. Immigration

- 5.1 If your sole reason for coming to the UK is to study, then you must have a visa that allows you to study in the UK. For study of more than 6 months you need a student visa, and for study of 6 months or less you must have a short-term student visa. It is your responsibility to ensure that you have the correct visa and permissions.

- 5.2 If you are resident outside of the UK, you will need to demonstrate, at the point of registration, that you have a valid immigration status that allows you to study on your proposed programme. **If you fail to demonstrate that you have a valid immigration status the University will withdraw you from your programme and you will not be entitled to a refund of any sums paid-**
- 5.3 You must take responsibility for ensuring that you comply with all terms of your student visa whilst studying at the University.
- 5.4 If you are unable to attend the University due to illness or for any other reason then you must inform the University immediately.
- 5.5 The University is required to withdraw sponsorship of your student visa if you do not comply with Home Office rules, including but not limited to:
- a) you fail to register at the University within 10 days of the start date of your programme. It is your responsibility to contact the Admissions Office to let us know if you are going to be delayed;
 - b) your overall attendance is not considered to be acceptable. This can include for example non-attendance on a module and non-submission of work;
 - c) you withdraw or commence a break in study;
 - d) you successfully complete your programme in a shorter period than originally planned;
 - e) your registration is terminated by the University.
- 5.6 If the University discovers that you are in breach of your visa conditions then you may be withdrawn from the University.
- 5.7 If your visa is revoked for any reason, the University will terminate your registration on your programme and terminate our contract with you and you will not be entitled to a refund of any deposit or programme fees already paid.

6. Offers

- 6.1 Any offer of a place at the University will be subject to you meeting conditions which will be made known to you in your offer letter. These conditions may include requirements to obtain or provide evidence of particular qualifications, and satisfy all legal and other requirements to study on your chosen programme. These requirements could include health checks, criminal record checks and the provision of immigration details.
- 6.2 The offer may be conditional or unconditional and this will be set out in your offer letter. Offers of entry will be made through UCAS for full time undergraduate applicants, UTT for full time PGCE applicants, and/or by letter and email for part-time, postgraduate and direct applicants, including apprentices.
- 6.3 In replying 'firm' to the offer given, the University will take this as acknowledgement of the acceptance of our terms and conditions so please ensure that these are read and understood.

- 6.4 Applicants who apply via UCAS, and make the University their 'insurance' choice, and who then change this to become 'firm', will have a 14 day period to change their mind from the date of the change. An example of this is when the applicant's original "firm" choice deems that their application is unsuccessful following receipt of examination results, but the University as the 'insurance' choice has confirmed the applicant's place.

Changes to an Offer

- 6.5 Once an offer of a place has been given, the University will not make changes to that offer unless external factors demand this, for example, if an industry requirement is introduced. In the unlikely event of an offer needing to be changed prior to it being accepted, applicants will be contacted to explain the situation.

Meeting the Conditions of an Offer

- 6.6 If you have been issued with and accept an offer which is conditional on achievement of qualifications or other requirements, you will need to fulfil those conditions and show evidence of this to be able to take up your offer.
- 6.7 The University reserves the right to withdraw an offer if you fail to provide satisfactory information or evidence which confirms that you can meet one or more of the conditions contained in the offer letter.
- 6.8 If you do not meet the terms of your offer the University may, at its discretion, offer you an alternative programme and the University will provide to you a 'change of confirmation decision' which you can either accept or decline. If you choose to accept the change of confirmation decision you must reply to confirm your acceptance which will make the decision 'firm'. You will then have 14 days once you have replied 'firm' to change your mind. If you wish to decline the 'change of confirmation decision' and you have applied via UCAS you will be released into clearing to be considered elsewhere.

- 6.9 The University reserves the right to withdraw the offer or to defer your application to the next year of entry, if you have not fulfilled the conditions of your offer before the 31 August prior to the start of the academic year.
- 6.10 Applicants who apply for postgraduate programmes including research degrees which have different start dates must meet their conditions two weeks before the start of the programme.
- 6.11 Please refer to the [Admissions Policy](#) for further information on how the University will deal with applications that do not meet the conditions of an offer.

Clearing Offers

- 6.12 Undergraduate applicants who are offered a place at the University in clearing already have their results, so all offers processed are 'unconditional firm'. Once a clearing decision is processed, applicants will be notified and have 14 days to change their mind and be released back into clearing.

7. Health Requirements

- 7.1 The University has a duty of care to ensure that students are not exposed to inappropriate risk. Therefore, in order to take up a place and continue with studies, some programmes (for example teaching programmes, nursing and midwifery programmes, paramedic science, medicine, occupational therapy, physiotherapy and sports therapy, early years programmes), require the applicant to complete an occupational health questionnaire and provide proof of immunisation against certain diseases before enrolment, as well as to undergo health screening checks once on campus.
- 7.2 Additionally, for some programmes, student participation in a mandatory vaccination programme is also required. All occupational health checks and screening appointments are carried out to enable the University to make an assessment of health so that reasonable assistance can be made to accommodate the student.
- 7.3 Your offer conditions and/or letter will inform you when such health requirements apply.

8. Disclosure of Criminal Convictions

- 8.1 As a condition of taking your place at the University you are required to disclose on a continuing basis (i.e. as soon as is reasonably practicable following the event) any relevant unspent criminal convictions by contacting the Admissions Office.
- 8.2 The University Admissions team will contact you if further information is required. The University will only ask for information relevant to its obligations to safeguard staff and students or to comply with professional requirements and in line with the [Admissions Policy](#).
- 8.3 For certain programmes, where students are brought into contact with children and or vulnerable adults, applicants may be required to disclose all relevant convictions, even if spent, and to undergo a Disclosure and Barring Service (DBS) check and other checks prior to and post registration. The conditions in your offer letter will inform you when such disclosure is required and represent conditions that must be met in order to be admitted to the University.
- 8.4 If you commit a relevant offence whilst you are a student, you will need to tell your programme leader at the earliest opportunity. In the most serious cases this may result in the University requiring you to withdraw from your programme and/or the termination of your registration with the University.
- 8.5 Please refer to the [Policy on the recruitment of students with criminal convictions](#) for details on what constitutes a “relevant offence” and for more information.

9. Changes to the Programme

- 9.1 The University will endeavour to ensure that the information provided to applicants about the programmes offered is as accurate and up-to-date as possible. The University will consider changes to programmes very carefully.
- 9.2 The University undertakes forward planning and, ordinarily, where a decision is taken to cease providing a programme or module, or to withdraw from provision at a particular location, registered students currently on the programme will be taught to the conclusion of their studies and/or consulted on the change. The Office for Students requires the University to publish an approved [Student Protection Plan](#) which sets out how continuation and quality of study will be preserved for current and potential students if a risk to their continued study crystallises.
- 9.3 If changes are required, the University will make every effort to minimise any disruption to your academic experience.
- 9.4 The University undertakes regular reviews of programmes on an annual and periodic basis. The purpose of these reviews is to draw on feedback from key interested parties including students, employers and external examiners to critically appraise a programme's effectiveness and ensure that it remains current and up-to-date. The reviews enable changes to be proposed so that the programme remains current and valid, as well as maintaining quality enhancement and ensuring that academic standards are achieved. This is an important part of the academic process. Therefore, the University reserves the right to make reasonable changes to a programme or to related educational and other services and facilities at any time if the changes will enable the University to deliver a better quality of educational experience to students enrolled on the programme. Examples of circumstances where this may be the case are as follows:
- a) to make updates to programmes to reflect best practice or new academic developments and to refresh programme curricula to ensure their currency for the benefit of students;
 - b) to improve and enhance students' experience of a programme, or to incorporate changes arising from student feedback for the benefit of students;
 - c) to meet external, professional or accrediting body requirements; and/or
 - d) to safeguard academic standards, for example, in response to external examiner feedback.
- 9.5 Such changes as described in 9.4 may be to:
- a) the structure and/or timing of the academic year;
 - b) the content and syllabus of your programme;
 - c) the method of delivery or method of examination or assessment of your programme;
 - d) the method of delivery of programme related services and facilities; and/or
 - e) the timetable, location at which your programme is taught or number of classes.

At the application stage

9.6 If during the application stage we consider that a significant change is required to a programme as set out in the prospectus, we will highlight that change made to the programme when we make you an offer. If you accept the offer to study, the University will treat this as your agreement to the change to the programme.

After accepting your offer

- 9.7 If after accepting an offer the University considers that a significant change is required to a programme as set out in the prospectus:
- the University will notify you at the earliest possible opportunity;
 - if you request the University to do so, the University will seek to offer you a suitable replacement programme at the University for which you are qualified, or if the University is unable to offer you a suitable replacement programme at the University it shall seek to refer you to a comparable higher education institution offering a suitable replacement programme;
 - if you do not wish to accept the University's offer of a replacement programme or the University is unable to offer a replacement programme, you will be entitled to withdraw your application by notifying the University in writing;
 - in the event that you choose to withdraw, the University may make an appropriate refund of tuition fees and deposits paid.

After commencing your course

- 9.8 In the unlikely event that the University (i) discontinues or does not provide your programme; or (ii) significantly changes your programme in accordance with 9.4:
- the University will notify you at the earliest possible opportunity;
 - if you request the University to do so, the University will seek to offer you a suitable replacement programme at the University for which you are qualified or if the University is unable to offer you a suitable replacement programme at the University it shall seek to refer you to a comparable higher education institution offering a suitable replacement programme;
 - if you do not wish to accept the University's offer of a replacement programme or the University is unable to offer a replacement programme, you will be entitled to withdraw your application by notifying the University in writing;
 - in the event that you choose to withdraw, the University may make an appropriate refund of tuition fees and deposits paid. Further guidance can be found in the [Student Protection Plan](#).

9.10 In making any changes, the University will consult with student representatives in advance about the proposed changes. Any changes will be communicated to students so that they are aware of any implications affecting their study.

9.11 If you do not agree that the change is fair, you may wish to seek redress under the [Student Complaints Procedure](#).

10. Module Choices

10.1 The University aims to offer flexibility of study within the relevant Regulations but cannot guarantee that all parts of and options within programmes will be available to all students who are qualified to take them.

10.2 The range of option modules on offer may change for one or more of the following reasons:

- to make updates to programmes to reflect best practice or new academic developments and to refresh programme curricula to ensure their currency for the benefit of students;
- to improve and enhance students' experience of a programme, or to incorporate changes arising from student feedback for the benefit of students;
- unplanned absences of key members of academic staff;
- to meet external, professional or accrediting body requirements; and/or
- to safeguard academic standards, for example, in response to external examiner feedback.

10.3 Some option modules may have minimum or maximum student number requirements and may not run in every academic year.

11. Events Outside of Our Control

11.1 Sometimes circumstances beyond the reasonable control of the University which could not have been prevented even if the University had taken reasonable care ("Events Outside of Our Control") mean that we are prevented from, hindered or delayed in providing or otherwise cannot provide the programme, related educational and other services and facilities as described.

- severe weather conditions;
- natural disasters;
- political or civil unrest;

- the acts or delays of any governmental or local authority;
- legal or regulatory changes, including changes to government guidance;
- withdrawal by any government or local authority of any necessary licence; and/ or
- insufficient uptake of a programme.

11.3 Where Events Outside of Our Control occur, we will notify you that the events have occurred and will take all reasonable steps to minimise the resultant disruption to those students who are affected, by, for example:

- offering the opportunity where reasonably possible to move to another programme;

- b) deferring the start date for the programme;
- c) delivering the programme in a different way, from another location or online, or at another time;
- d) delivering a modified version of the same programme;
- e) assisting you to transfer to complete the programme at another institution; and/ or
- f) delivering other services and facilities in a different way, from a different location or online.

11.4 If you are not satisfied with any such steps to mitigate the disruption caused by Events Outside of Our Control, you may terminate your contract with the University and we will follow our [Refund and Compensation Policy](#). Alternatively, you may make a complaint under the [Students Complaints Procedures](#).

11.5 Where, as a result of Events Outside of Our Control, it is necessary to close or discontinue or cease to deliver a programme, the University will follow its [Student Protection Plan](#) and its [Refund and Compensation Policy](#).

- a) 11.6 Where Events Outside of Our Control occur and the University is unable to take steps to minimise the resultant disruption to students then neither we nor you will be liable for breach of this contract nor for continued compliance with the contract including the provision of further tuition or services, payment of further fees, making refunds of fees paid or other loss or damage of any kind.

12. Registration

- 12.1 You are required to register on-line once your place has been confirmed (made “unconditional firm”).
- 12.2 You are required to re-register each academic year that your programme runs and that registration should be completed within two weeks of the start of the academic year.
- 12.3 If you register late you may incur a late registration charge to cover additional administration costs.

13. Regulations

- 13.1 You are required as a condition of accepting a place and registering at the University to agree formally to the regulations, policies and procedures of the University (together the “Regulations”).
- 13.2 These include regulations in (but not limited to) the following areas: admissions; academic assessment; conduct, fitness to practise, expulsion and discipline; fees and financial; information technology; intellectual property; complaints and appeals.

Key provisions of the Regulations of which you should be aware include:

- a) the University’s expectations as regards student attendance, academic due diligence and academic progress. Students are expected to attend such lectures, tutorials, examinations and other activities as form part of their course. Failure to meet these

expectations may mean that you are not permitted to progress on your course. Our policy on attendance can be found at: [Student Attendance Policy](#)

- b) the University’s rules regarding academic misconduct, including plagiarism and the processes the University utilises to detect plagiarism. Breach of these rules may result in a disciplinary process and the imposition of academic penalties and/or expulsion. Further guidance about academic misconduct can be found at: [Procedures for investigation of alleged Academic Misconduct](#)
 - c) the University’s rules regarding payment of sums due to the University, which can be found in Tuition Fee Policy available at: [Tuition Fee Policy](#)
 - d) If you do not pay money that you owe to the University, the University reserves the right to withdraw its services and/or your right to use its facilities where it is necessary and proportionate to do so. In deciding whether to do so, the University will consider all the circumstances of your case.
 - e) the University’s expectations of student behaviour. Breach of these rules could result in a disciplinary process and the imposition of sanctions, including expulsion from the University. Our discipline procedure can be found at: [Student Disciplinary Procedures](#)
 - f) the University’s rules governing fitness to practise, which apply to students on professionally regulated courses which lead to or satisfy the conditions of a professional qualification or confer a licence to practise in a particular profession. A failure to observe these requirements may call into question a student’s fitness to practise and result in a disciplinary process and the imposition of sanctions, including expulsion from the University. Further guidance about fitness to practise can be found at: [Fitness to Practise Procedures](#)
 - g) the requirement that applicants to professional courses undergo an enhanced Disclosure Barring Service (DBS) check (organised by the University) before they can be enrolled on these courses, and the statutory requirements regarding disqualification by association. Depending on the outcome of these checks, you may not be eligible to enrol on or continue on these courses.
 - h) the University’s policy on taking a break from your studies. This sets out how a student can apply to take a leave of absence from their studies and the considerations surrounding such a decision. Further guidance about taking a break from your studies can be found in the [Taught Courses Regulatory Framework](#) or [Research Degrees Regulatory Framework](#).
 - i) The University’s [IT Regulations](#), [Information Security Policy](#) and [Information Classification and Handling Policy](#).
- 13.3 The University reserves the right to add to, delete or make reasonable changes to the Regulations where in the opinion of the University it will assist in the proper delivery of education and/or it is in the interests of students.
- 13.4 These changes will normally come into effect at the beginning of the next academic year.
- 13.5 The University reserves the right to introduce changes during the academic year when it reasonably

considers it to be in the interests of Students or it is required by law or by funders or in other exceptional circumstances.

- 13.6 Changes are usually made for one or more of the following reasons:
- to review and update the Regulations to ensure they are fit for purpose;
 - to safeguard academic standards, for example, in response to external examiner feedback;

 - to reflect feedback from students; and/or
 - to aid clarity or consistency of approach.

13.7 Where changes are made, the University will take reasonable steps to minimise disruption to students wherever reasonably possible, for example, by giving reasonable notice of changes to Regulations before they become effective, or by phasing in the changes, if appropriate.

13.8 If you have any concerns about the rationale for or effect of any change, please contact the Academic Registrar.

13.9 The updated Regulations will be made available on the University's website and any changes clearly highlighted.

13.10 Breach of the University's Regulations or contractual terms may result in the University requiring you to withdraw from your programme, the withholding of related services and facilities and/or the termination of your registration with the University.

14. Partner Organisations

14.1 If you are studying at a partner organisation, you will be subject to certain additional regulations and contractual terms of that partner organisation such as:

- disciplinary regulations;
- complaints procedures;
- use of facilities and premises including IT and library facilities;

14.2 Complaints from students studying at a partner organisation will be heard initially under the partner's complaints procedure but a student will have recourse to Stage Two of the University's Student Complaints Procedure after the partner's procedures have been exhausted.

14.3 If you cease to be a student of partner organisation, you will also cease to be a student of the University.

14.4 The University has agreements with its partner organisations which set out the roles and responsibilities of each in relation to your admission, programme and related services and facilities.

14.5 Where such responsibilities rest with the partner organisation, the University will not be liable to the fullest extent permissible by law for:

- the failure to carry out those responsibilities;
- the negligent acts or omissions of the partner organisation, the partner organisation's staff and/or the partner organisation's agent(s) or other representative(s); or

15. Accommodation

15.1 The allocation of places in University and University managed accommodation is coordinated by the Accommodation Office. Although priority is given to first year students, high demand results in private accommodation being used to house some first year students. Allocation is based on the date of the on-line application. For further information please refer to the [accommodation web pages](#).]

16. Teaching and Attendance

16.1 Students are expected to live within a commutable distance from the University. The University defines 'commutable distance' as a distance from the University or partner organisation that enables the student to attend the location of their programme during core working hours on a daily basis if they are required to do so.

16.2 The standard teaching week is as follows:

audio-visual, or other materials provided by, or through, or used on the premises of the University.

19. Support for Disabled Students

19.1 The University provides an extensive variety of student support to provide assistance with health, welfare, lifestyle and future career advice, which includes support and advice for disabled students.

19.2 The University welcomes disabled students, and applicants are strongly encouraged to disclose a disability or other support needs on their application, so that the University can seek to support any needs throughout the time of study.

Evidence should normally be no more than two years old at the time of submission.

19.4 Disability information is held and monitored by the Disability and Dyslexia Service at the University. This information will be shared with relevant University staff to enable them to provide advice, support and guidance.

- b) where the student is part of a research team where the sponsor of that research owns any IP arising from that research;
