Return to Nursing Practice

HESC3050

Funding may be available for this module – to be confirmed

This double module will assist qualified nurses to assess their current level of ability to practice and will provide students with the knowledge and expertise required to enable them to return to practice as competent and safe practitioners, achieving the competencies necessary, leading to re-registration with the Nursing and Midwifery Council. The module will help students to develop the reflective and analytical skills necessary to apply theoretical knowledge and professional policy to nursing practice and will increase their confidence in returning to nursing practice as competent and autonomous practitioners.

Assessment:
Formative Assessment – Short classroom based presentation
Summative Assessment – 3,000 word essay
The practice element of the module requires a minimum of 100 hours in practice with an allocated ‘active’ mentor and will be competency based.

Assessment:
Competency document to be completed in practice

Entry Criteria:
The criteria for admission to this course will be that the student has previously been registered on part 1 or 2 of the NMC register and whose name has never been removed from the register. Their registration needs to have been lapsed for a minimum of 3 years.

Further Information
For information please go to www.worcester.ac.uk and click on courses and departments, then course search and Health Sciences is in the A-Z of courses list.

General Module Enquiries
Please contact: Allied Health and Social Sciences Administrator on tel: 01905 542224 or e-mail: cpdinfo@worc.ac.uk

In any given year the availability of option modules will depend on student numbers and in the event of an option module not being able to run due to a low number of students registering for that module, students will in these circumstances be able to choose an alternative option module or the negotiated study module as an alternative (where appropriate, and subject to the approval of the Programme Lead)

Module Leader
Lisa Panzavecchia

Credits
Level 6, 40 Credits

Dates
Health Sciences
Academic Induction Day for new students
7 September 2017 (09.30 – 16.00)

Course A
3, 10, 17, 18*, 19*, 31 October 2017
7, 14, 21, 28 November 2017
5, 12 December 2017
* Mandatory Training
(09.15 – 17.15)

There will be a requirement for students to complete 100 – 300 hours in practice with an allocated active mentor.

How to apply
Some modules may be funded by the NHS and therefore you may need to complete 2 application forms:
- A University of Worcester Application Form
- Study Leave Form

To enrol or to check availability
Please contact Registry Admissions, Team C on tel: 01905 855111 or e-mail: admissions@worc.ac.uk

Study Leave Form
All students employed by a Worcestershire NHS Trust or Wye Valley NHS Trust have to complete a study leave form (or equivalent) if they want (a) to study in works time, or (b) want the Trust to fund or part fund the course, or both.

Please ensure that funding for your study leave has been authorised by the Education lead for your Trust, before submitting your application, together with your study leave form.
