

Effective and Inclusive Practice for Support Staff

Where: University of Worcester - See **dates and cost** below.

This series of sessions will provide support for teaching assistants and support staff in the areas of behaviour management, inclusive learning and successful interventions.

The course is suitable for any support staff working within Early Years and Primary settings.

By attending these sessions support staff will

- Develop understanding of behaviour management theories, universal design for learning and creating SMART targets for progress.
- Developing strategies to support inclusive practice.
- Increase confidence designing and delivering interventions, managing behaviour and supporting vulnerable pupils.

Session Dates:

- 11 November 2026 (1-3.30pm) *Developing positive behaviour management strategies*
- 20 January 2027 (1-3.30pm) *Developing inclusive practice*
- 21 April 2027 (1-3.30pm) *Planning and delivering successful interventions*

Cost: £70 per session; £178.50 if **all three sessions** are booked.
