The University of Worcester leads termly network meetings for subject leaders of primary mathematics.

Every meeting includes:

- Aspects of school improvement and national updates related to your subject leadership and management role.
- The opportunity to explore in more depth an aspect of teaching and learning related to national and local need.
- The opportunity to network with others, share your experiences and establish ways forward.

Feedback from previous participant:

"It is great to talk to other teachers and share current practice. Having someone to share some points of new legislation/reports with is very helpful."
