We will send you a confirmation email.

The University of Worcester will be leading new termly network meetings for subject leaders of SENDi

The **first session (12 November—online)** will focus on **The challenges of being a SENCo**. We will cover some of the following topics:

- Initial pupil concerns
- Where to find additional support
- Policies and processes
- Wellbeing for SENCO's

The **second session (25 March—online)** will focus on **Supporting children with Dyslexia or Dyslexic traits**. We will cover some of the following topics:

- Initial pupil concerns
- Supportive strategies within the classroom
- Whole school support strategies
- Where to go for external/additional help

This **final session (20 May—face to face)** will focus on **supporting pupils with Autistic Spectrum Disorder (ASD)**. We will cover some of the following topics:

- Supportive classroom strategies
- Working in partnership with parents/carers
- Whole school strategies
- Where to find external/additional support
