

### EU Maintenance Scholarships (Merit Based)

The merit based maintenance scholarships are for EU students who achieve 128 UCAS points (please find Eligibility Criteria by Country in the table below) and who do not qualify for maintenance loans from Student Finance England. It is a great opportunity to be awarded £1,000 in your first year of a full-time undergraduate study. Students who meet the academic requirements below will automatically qualify for the scholarship when they enrol at the University.

Scholars will receive a total amount of £1,000, paid in two instalments in Year 1 (£500 at the beginning of Semester 1 and the other £500 at the beginning of Semester 2).
