GRADUATE AMBASSADORS

Graduate Ambassadors are trained members of staff and recent graduates who can talk authentically about making friends, settling in and campus life. Answering the key question of what university is really like and demystifying areas such as student finance and the application process, as well as providing support for personal statements and preparing for interviews.

Graduate ambassadors offer a fresh, realistic and unique insight into the application process and university life through a variety of interactive presentations and workshops. Our interactive talks and workshops are offered free of charge and can be tailored to suit your student's needs.

TASTER DAYS

STUDENT LIFE TASTER DAYS

Suitable for year 12 or 13 students, a taster day allows students to explore life on campus and find out more about university life. For groups of 50+ we may also be able to offer a taster lecture. **Please contact us for more information at insiders@worc.ac.uk**

SUBJECT SPECIFIC TASTER DAYS

If you have a group of at least 15 students interested in a specific subject, we are able to organise a subject specific taster day. This would include practical sessions, taster lectures and a chance for students to see facilities specific to their course of interest.

SUBJECT SPECIFIC WORKSHOPS

Our friendly lecturers are able to visit your students to deliver subject specific sessions tailored to your students. Please contact us for further information.

Subjects areas available include:

- Teaching and Education
- Health
- Business and Computing
- Humanities
- Nursing
- Psychology
- Creative Arts
- Science and Environment
- Sports

BITESIZE

Our series of short and snappy sessions allow students to get top tips around preparing for university in just 20 minutes.

Sessions are aimed at year 12 students and designed to be interactive and exciting to help inspire students to think about university.

SCHOOL & COLLEGE FEEDBACK

"This was an excellent visit (all previous visits have also been highly relevant and beneficial for our Access students) and was well informed, highly relevant with the learners able to take away a great range of resources and information to help with their university finance applications."

- HEREFORDSHIRE AND LUDLOW

"Organised efficient and friendly team. Flexible and helpful."

- BIRMINGHAM METROPOLITAN COLLEGE

"Really motivated by the speakers. Excellent use of two speakers with two very different backgrounds. For some of our students they have no one who can talk to them (other than teachers) about what uni is like."

- THE BAVERSTOCK ACADEMY

"Motivating and informative."

- TELFORD COLLEGE OF ARTS AND TECHNOLOGY
