

UNIVERSITY OF WORCESTER

GRADUATION SCHEDULE

SEPTEMBER 2025

There will be up to three Graduation ceremonies each day. The schedule below details the timings for each of the activities during the day, including arrival and robing, travel to the ceremony, the ceremony itself and the reception.

Remember, your arrival time at Severn Campus covers your ticket collection, gown collection and photography. If you arrive within the last few minutes of your time slot, you will not have time for photography.

You should have booked both your gown and photography in advance, so this will help you know how much time you will need before the ceremony.

We have included some extra notes below that you may find useful when planning your day.
