Undergraduate Arts courses

- **Animation BA (Hons)**
  Study animation in all its forms - 2D, 3D, traditional, digital and stop motion - with live projects in industry-grade facilities.

- **Animation degrees**
  The Animation course at Worcester has been designed by practising experts in the field to match the demands of both the media industries and our students.

- **Art & Design BA (Hons)**
  Explore new techniques, enhance your creative flair, and build your portfolio and profile in an area which is flourishing in the digital age.

- **Art & Design degrees**
  Develop your ideas and approaches through studio-based teaching at The Garage studios, supported by participation in workshops.

- **Creative Media BA (Hons)**
  In the digital age, develop the creative media expertise and professional skills you will need to communicate eloquently in the language of our times.

- **Creative Digital Media degrees**
  Grow your expertise in creative practice including graphic design, animation, film, motion graphics, illustration and photography.

- **Dance HND**
  Study contemporary techniques alongside ballet, whilst developing the skills and creativity required in the professional world of the performing artist.

- **Drama and Performance BA (Hons)**
  At Worcester drama is a ‘doing’ word. We love to learn through practice, so you can hone your craft not just in lectures but by treading the boards.

- **Drama & Performance degrees**
  Direct, write, devise and design performance work alongside examining the cultural contexts of drama.

- **Film Production BA (Hons)**
  Digital technology has changed the way that film, video, sound and animation are conceived and produced.

- **Film Production degrees**
  Film Production at Worcester is characterised by a practical, creative and reflective approach to learning.

- **Film Studies BA (Hons)**
  Cinema is one of our most significant forms of cultural communication. Film Studies at Worcester is research-led, keeping the course fresh and original.

- **Film Studies degrees**
  Our Film Studies courses introduce you to a wide variety of film histories and cultures, covering everything from the Hollywood blockbuster to world cinema.

- **Fine Art BA (Hons)**
  Our Fine Art course combines visual art practice with critical studies and places a strong emphasis on studio practice.

- **Fine Art degrees**
  You will use diverse processes and methods within this course: critical and contextual studies, drawing, object making and online and time-based media are integral to learning.

- **Game Art BA (Hons)**
  Game Art at Worcester mixes creativity and talent with the latest technology and academic rigour.

- **Graphic Design BA (Hons)**
  Explore our Graphic Design degree, including the course structure, career prospects and art show opportunities.
From print to web to multimedia design, develop your creative ideas and approaches alongside computer technology and gain a critical understanding of design and visual theory.

Illustration BA (Hons)
Explore our Illustration degree, including the course structure, career prospects and exhibition opportunities in the UK and overseas.

Illustration degrees
Worcester's Illustration courses cover the complete range of illustration genres and forms.

Performance (Costume and Make-up) BA (Hons) Top-up Degree
This Performance course produces creative professionals who have the necessary design expertise, technical abilities and skills to respond to the developing challenges in the film, television and theatrical industries.

Screenwriting (Joint Honours)
Screenwriting at Worcester emphasises learning through practice whilst nurturing your love of story and refining your skills as a writer.

Screenwriting degrees
Our Screenwriting courses provide creative, challenging approaches to writing for the screen and performance – from initial conception to production.

Touring Theatre MTheatre
This 4-year course allows you to start studying at undergraduate level but graduate with a masters-level award in Touring Theatre. This additional higher level qualification will help you stand out in the competitive theatre industry.

Urban & Electronic Music Production HND
Develop as a highly skilled music professional with the creative talent and technical ability to make an impact in the music industry and beyond.

Game Art degrees
Our Game Art programmes mix creativity and talent with the latest technology and academic rigour.

Journalism BA (Hons)
From front-page scoops to stories on Twitter, Worcester journalism graduates are equipped with the multimedia experience to build a career in newspapers, TV, radio or online.

Journalism degrees
The Journalism course is vocationally focused and you will acquire the knowledge and skills to equip you for work in today's multi-platform media environment.
